Contoured for a secure, behind the ear fit. Lightweight, only 23 grams.

2 Multi-function button

Supports voice-activated dialling and answer/end commands in most phones.

3 JABRA MiniGel™

Ensures superior sound clarity. Works in either ear.
Two sizes included- standard and small.

4 Volume control button

Easy, one-touch access on headset.

5 Charger/holder

Versatile all-in-one design includes a belt clip.

6 Microphone

Maximises voice clarity over background noise.

The JABRA BT250 – High performance has never felt so comfortable

With up to eight hours of talk time and up to 240 hours of standby time between charging, the JABRA BT250 lets you enjoy the benefits of hands-free and cord-fee conversations all day.

Unique design – The JABRA BT250's soft elastomer body and contoured shape fits securely and ergonomically behind the ear. It's so comfortable that you'll forget you are wearing it.

Superior sound – The JABRA BT250 uses innovative technology and materials to provide crisp sound quality. The sound-absorbing material reduces distortions, the uni-directional microphone amplifies your voice and reduces background noise, and the patented JABRA MiniGel™ channels sound directly into the ear, providing great sound quality at both ends of the call.

Convenient – The JABRA BT250 gives you the freedom to use your mobile phone up to 10 metres away. Use your phone's features like call transfer and last number redial, adjust the headset volume, conduct voice dialing, and answer and end calls by touching a single button on the JABRA BT250.
